MANUFACTURE  
  
FRANCAISE

*LiveHorn Orion Speaker,  
Revelations, Grand Palais  
5/2025*

## ACOUSTIC ART

A French creator of exceptional acoustic systems, LiveHorn embodies the meeting of craftsmanship, design and acoustic engineering.

Recognized in the arts and crafts community, LiveHorn speakers are presented at leading international arts and crafts and decoration trade shows.

# PURITY OF SOUND

Praised by the specialist press, LiveHorn speakers are designed to delicately reproduce all the nuances of a performance.

**Vinyle & Audio**  
PASSION VINYLE ET HAUTE PERFORMANCE

*“Perfectly finished and very accomplished musically.  
A success!”*

L'AMOUR DU CLASSIQUE, LA PASSION DE L'EXCELLENCE  
**D'APASON**

*“The soundstage is immersive and the music flows, in a form of sonic truth.”*

**haute fidēlitē**

*“It is rare that a sound image unfolds life-size before you, with such presence.”*

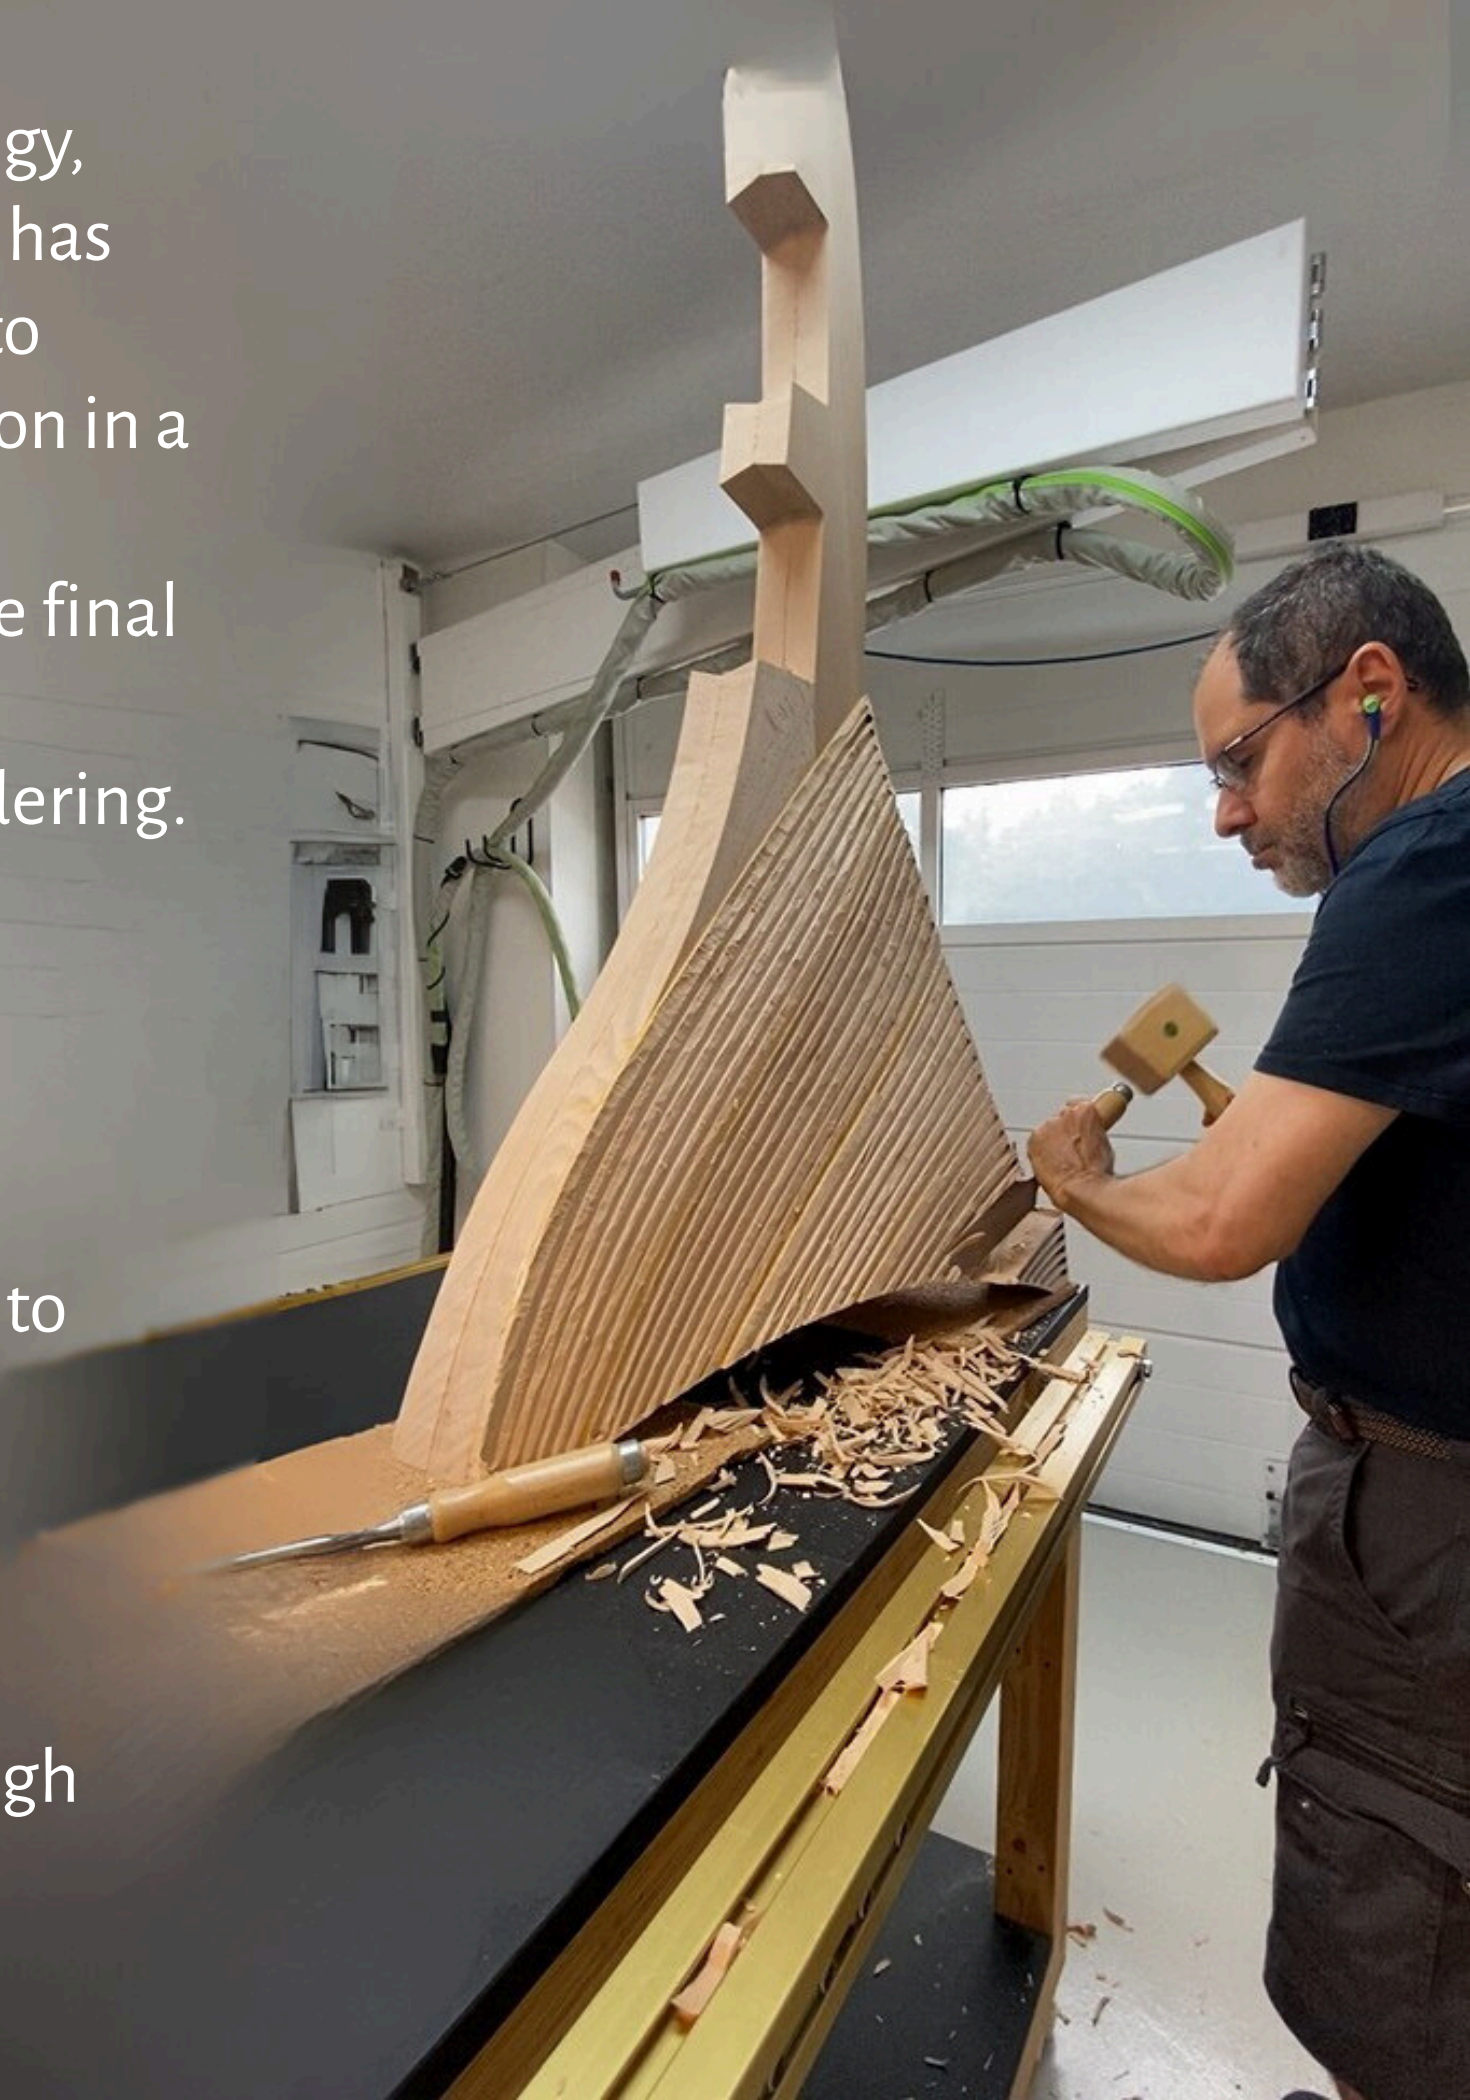

*LiveHorn 2.1 Nova System*

# CREATIVITY AND QUALITY

30 years of passion guide Michel Fesquet, engineer and cabinetmaker, in the creation of LiveHorn speakers.

Each technology, each material has been subject to drastic selection in a process of optimizing the final acoustic and aesthetic rendering.

From specifications to delivery, each phase of the production process is guided by a high level of requirement.

# FOR INDIVIDUALS AND PROFESSIONALS

Adapted to your needs, each LiveHorn creation meets precise specifications.

Whether it's a one-off or a small series, from a compact connected speaker to a monumental horn speaker, LiveHorn meets your expectations with the same high standards of quality.

*Loft wall speaker*

*Studio Bluetooth Speaker*

# THEY CHOSE LIVEHORN

*Grand-Horizon monumental speaker equipping  
the CEA Paris-Saclay Campus Space*

**LIVEHORN**  
HIFI D'EXCEPTION

Handcrafted, designed and produced entirely in  
our workshop in Ile-de-France

Member of the Ateliers d'Art de France
